

but maybe they are looking at you
because you are looking at them.

How to LOVE

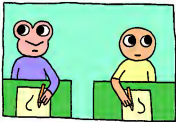

Elizabeth asks:

Lately I have been getting
a lot of eye contact from guys.
What does that mean?

and perhaps allowing the spark
to grow into something bigger.

This is not a bad thing!

but sometimes it seems
more meaningful...

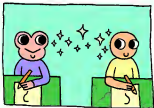

It may seem like more people
are looking at you...

as though
there is a

SPARK

It can be a subtle way of letting
someone know that you like them

We make eye contact with people
all the time
